BOOMERANG BAGS

Our Thursday morning Boomerang Bags volunteer group operated throughout the last year making bags to distribute to the community. Since its inception in 2018, we've made over 3,300 bags in total and are proud to continue to have a great output of about 300 bags this year. We hope that our community members enjoy using them. The bags are being distributed in shops and handed out at community events. Taturians love to gift them as Christmas presents or when they visit someone and want to bring an original Tatura item.

Thank you to the many people that have joined our group of volunteers. It has been great to see lots of new faces this year. Thank you to everyone that has helped in so many ways. From donating material, screen printing, cutting, ironing, sewing and much more. We appreciate Evelyn, who makes us a coffee each Thursday. It gives us a chance to sit and chat and enjoy each other's company while relishing lovely coffee. This companionship is a very important part of being a volunteer.

Bev Roberts

CHOP & CHAT

Our small team of volunteer Chop and Chatters have been very productive in the kitchen and over the past year we have provided 776 nutrition frozen meals for those in need. We have also produced a record 644 preserves from the fruit and vegetables that were donated to us. During the year we also cooked food for the High Tea fundraiser and our Chop & Chat volunteers helped with the set up and running of the day.

By cooking together we aim to create a relaxed, enjoyable environment where people feel valued for their effort and provide a connection to others through food.

The stall at the entrance to the Community House enables us to showcase our preserves and generate some income to help cover the expenses involved in running our program. We try to minimise our expenses by recycling jars and bottles and use the donated food as the basis for our meals. Many preserves were also sold at the community market that was held in Tatura in November and May. A big thank you to everyone who purchased products or donated produce during the year.

Running the Chop and Chat program is very much a team effort, and I am very appreciative of the input of all those who have contributed to the program over the past year. Generations Op Shop bring our share of the Food Share groceries each fortnight and distribute most of our frozen meals through their food pantry. We also rely on the community house staff and reception volunteers to support our program in a variety of ways. It may involve printing labels, ordering equipment, topping up our stall, sorting the food from Food Share and applying for funding just to mention a few tasks.

It has been a privilege working with such an enthusiastic, hardworking, supportive, reliable team of volunteers who have ensured the success of the Chop & Chat sessions over the past year.

Jenny Stammers

HOMework CLUB

Tatura Community House continues to provide an after-school tutoring program for local students. This program occurs on a Tuesday in the Tatura Library from 3.45 until 4.30pm for primary aged students. It is available to students who wish to improve their reading, writing and number skills. We tend to concentrate on maths skills for upper primary students and literacy skills for the younger students.

We would like to encourage more secondary students to attend from 4.30 until 5.30pm to review and improve their understanding of the maths curriculum. This is a valuable session for students as it allows them to review their work and consolidate their understanding of mathematical concepts.

The tutoring is free of charge. The aim of the program is to encourage children to develop their maths skills and their enjoyment of Mathematics and Literacy. We would like students to realise that it is okay to get something wrong. After all, we often learn from our mistakes. We appreciate the dedicated help and support of our tutors, without whom the programme would not occur. They always encourage and remain positive towards our students.

Parents are always welcome to contact us to discuss how we can help their child. The library is a wonderful venue for the students to learn in. We greatly appreciate and thank Kerrie for her positive support and help. A special thank you to Bev and Ann who work well together to provide, review and enhance the program. We hope to continue the program into the future and rely on the support and input from parents, volunteers and the community to make it a success.

Iris Oakes

FOOD PANTRY

In partnership with Generations OpShop and with support from various sources, including FoodShare, Flavorite and generous donations from community members and organisations, the Food Pantry is a comprehensive program addressing food and hygiene needs. This includes a wide range of non-perishable foods like cereals, canned goods, UHT milk, biscuits, rice, pasta, cooking oil, and more. We also have a basic stock of personal hygiene items. Occasionally, the pantry provides pet food as well.

The invaluable contribution of the Chop & Chat group, which regularly prepares and freezes meals, enhances the pantry's offerings. Moreover, the community's food relief is supported by the harvest table and the harvest fridge in the foyer, where individuals can share surplus fruits and vegetables for others to take freely.

In these uncertain times, the food pantry at Tatura Community House remains a testament to the resilience and kindness of its volunteers and the community's generosity. Beyond providing nourishment, it fosters a sense of togetherness, reminding us that, even during challenging periods, a caring community can truly make a meaningful difference in the lives of its members.

COFFEE HUB CLUB

The Coffee Hub Club continues to be a popular part of Tuesday mornings at Tatura Community House, providing a relaxed and welcoming space where people can enjoy an affordable cuppa, catch up with friends and make new connections.

People come and go throughout the morning, creating an informal social space that brings together regular attendees as well as people visiting the House for other activities and services. The Coffee Hub is also a great way for people to learn more about what is happening at TCH and connect with other opportunities in the community.

A welcome addition this year has been the regular presence of the Distress Support Service – Yurri Mulana at the Coffee Hub. This provides an informal and approachable opportunity for people to have a chat, learn about available support and connect with services if needed.

Sometimes the simplest programs can make an important difference. A friendly space, a good cup of coffee and the opportunity for conversation all help strengthen connections and create a sense of belonging within our community.

TAT GATHERING

The Tat Gathering, held on the first Wednesday of every month at Ross Street Café, has become a cherished event for both new and long-term residents of Tat. This casual and welcoming gathering is an excellent opportunity for people to meet, socialise, and build connections in the community, while also supporting a local business.

For newcomers to Tat, the gathering offers a friendly and relaxed space to make friends and get to know the area. Long-term residents are equally enthusiastic, enjoying the chance to reconnect and share stories with others. The lively atmosphere at Ross Street Café makes it the perfect spot for this monthly get-together, and the group has truly made the café their home for this activity. The café staff have been incredibly welcoming, creating a comfortable environment where everyone feels at ease.

The Tat Gathering also aligns with the goals of our Community House, which values opportunities to hold activities in different locations around town. By meeting at Ross Street Café, we're not only bringing people together but also highlighting and supporting a local business that plays an important role in the community.

One of the most important aspects of the Tat Gathering is its openness—everyone is welcome, whether they've lived in Tat for years or have just moved to town. This inclusivity helps foster a sense of belonging, making the gathering an essential part of building a stronger, more connected community.

In summary, the Tat Gathering has become a much-loved event that brings people together, supports local businesses, and expands the reach of our Community House. We are grateful to Ross Street Café for providing a welcoming space and to all the participants who make the gathering such a vibrant and enjoyable event each month.

BRIDGE

This is now the third year we have offered Bridge at the community house. It is a very social activity where we chat and learn how to play Bridge on a Thursday afternoon.

Bridge is an enjoyable way to meet and interact with new people, have fun and exercise your brain. Our sessions enable players to ask questions about how to play, or what is the best bid or lead card.

Each game of Bidge has 4 players. This results in 2 players playing together as a pair. You can be a complete beginner when you start and after a few games you will develop a good idea of how to play. So why don't you come along and have a go.

Iris Oakes

MAH JONG

Our Mahjong groups continue to thrive, with two groups now meeting each Wednesday. The morning group has developed into a group of more advanced players, while the afternoon group provides a welcoming space for those continuing to build their skills.

Both groups have grown in membership during last year, and it is wonderful to see participants enjoying the challenge of this traditional tile game while sharing plenty of conversation and companionship along the way.

MORNING EXERCISES

Our morning exercises have offered a great mix of Strength & Conditioning and Circuit Training, and Tummy, Hips & Thighs.

Morning exercises run on Mondays and Fridays. Participants can choose sessions that suit their goals, with options to focus on strength and bone health or combine cardio, agility, and endurance in a circuit format. Tummy, Hips & Thighs focuses on lower body strength. Sessions are friendly, small-group, and adaptable for all fitness levels.

We have partnered with Shannon Cooper whose background as a personal trainer makes her the perfect fit for our classes. We appreciate Shannon's supportive and energetic attitude, her great sense of humour and especially her reliability. We hope to expand exercises classes in the future and keep working with Shannon for a long time.

YOGA

Yoga continues to be one of our well-established health and wellbeing programs, offering a variety of classes to suit different levels of experience, mobility and fitness. Hatha Flow Yoga remained a core part of the program, with a focus on posture, breathing, strength and mindful movement. Classes were offered across several evenings as well as Saturday mornings, providing participants with a range of opportunities to take part.

Chair Yoga also continued throughout the year, providing a gentle and accessible option particularly suited to beginners, seniors and people returning to physical activity. The class allows participants to experience the benefits of yoga in a supportive environment while adapting movements to their individual abilities.

For those looking for a more challenging practice, Vinyasa Yoga offered a dynamic class linking breath with movement for more advanced participants. As the year progressed, our yoga timetable evolved, with additional Hatha Flow sessions and the continuation of Saturday morning yoga on a fortnightly basis. This mix of classes has allowed us to offer something for people at many different stages of their yoga journey.

We are very grateful to our instructor Anh, whose knowledge, enthusiasm and welcoming approach continue to make yoga such a valued part of the Tatura Community House program.

Adele Marshall

KNITTING, SEWING & CROCHET

SPINNING, WEAVING & FIBRE ART

The Arts & Crafts activities on Tuesdays have become a vibrant and creative space for participants to engage in a variety of traditional crafts. The day is divided into two sessions, each focusing on different forms of artistry.

The morning session, from 9:00am to 1:00pm, is dedicated to knitting, sewing, and crochet. Participants bring their own projects, which can range from knitting and crocheting to quilting, lace making, diamond painting, and more. This session provides a great opportunity not only to work on individual arts and crafts but also to socialize and exchange tips and tricks with fellow crafters. The atmosphere is relaxed and supportive, allowing people to share ideas and learn from one another. For those looking to expand their skills, it's a perfect opportunity to pop in and learn how to operate a sewing machine or get assistance with a tricky knitting pattern.

The afternoon session focuses on Spinning, Weaving, and Fibre Arts, with a particular emphasis on spinning wool from scratch. Each participant brings their own spinning wheel, and together they create wonderful yarn in a variety of shades and textures. The craft of spinning wool is a traditional skill that is being kept alive through this group. It's a rewarding process, with the end product being beautiful, hand-spun wool yarn.

Both sessions offer a chance to preserve and promote these timeless crafts while fostering a strong sense of community. We encourage more people to join the group, whether they are experienced or just beginning to explore the world of arts and crafts.

COME AS YOU ARE

A wonderful new addition to Tatura Community House in 2026 has been Come As You Are @ TCH, our inclusive Tuesday evening social group. The idea behind the group is simple – everybody is welcome, regardless of age, gender, ability or neurodiversity, with a focus on creating a comfortable place to meet people, have fun and try something different.

Led by Sam, each week brings a new activity or experience, giving participants plenty of opportunities to get involved, learn something new and, most importantly, enjoy spending time together. Activities have included cooking and sharing food, arts and crafts, games and other creative and hands-on projects. The variety is an important part of the program, giving people the opportunity to discover new interests and skills while enjoying the company of others.

There is no pressure to be good at anything or even to take part in every activity. Participants can join in at their own pace, have a chat, lend a hand or simply enjoy being part of the group. This relaxed approach has helped create an environment where people can feel comfortable being themselves and where differences are welcomed.

Since starting, Come As You Are has steadily grown in participants, which has been wonderful to see. Regular participants have begun getting to know one another, new faces continue to join the group, and friendships and connections are developing naturally along the way.

More than just another weekly activity, Come As You Are is becoming a place for belonging, inclusion and social connection. It has been a fantastic addition to our program and captures an important part of what Tatura Community House aims to provide – a place where everyone is welcome to simply come as they are.

54 REASONS PLAYGROUP

The 54 Reasons Playgroup is a regular part of our program here at Tatura Community House. Held every Wednesday morning, it is open to families with children aged 0 to 5 years.

The playgroup is run by professional early childhood educators from 54 Reasons (Save the Children Australia). Their role is to plan and guide activities that support early learning and social development in a safe and structured environment.

Sessions include songs, stories, craft, and free play, with activities adjusted to suit different ages and abilities.

Parents and carers also benefit from the program. It provides a space to meet other families, share experiences, and connect with local information and services. The format is straightforward and consistent each week, making it easy for families to attend regularly.

The group has quickly become a staple in our term program, with strong attendance and positive feedback from participants. Families appreciate the combination of play-based learning for children and practical support for parents.

SCRIBBLES WRITING GROUP

The Scribbles Writing Group continued to meet monthly throughout 2025–26, providing a friendly and encouraging space for people who enjoy writing and storytelling. Whether working on a story, developing an idea or simply wanting to put thoughts into words, participants could share their creativity and encourage one another.

The group welcomes writers of all experience levels and provides a relaxed opportunity to connect with others through a shared love of the written word.

ART FOR WELLING - PRACTICE MINDFULNESS THROUGH ART

Facilitated by Fiona, Art for Wellbeing provided a welcoming and supportive space where participants could slow down, relax and explore their creativity. Through a variety of art activities, participants were encouraged to practise mindfulness, focus on the present moment and enjoy the creative process without pressure.

The group supported positive wellbeing, self-expression and social connection, while providing opportunities to learn new skills and connect with others in a relaxed and friendly environment. No previous art experience was required, making the sessions accessible and enjoyable for everyone.

GENEALOGY FAMILY HISTORY GROUP

Our Family History Group has continued to be a popular and well-supported part of the Tatura Community House program. Meeting each Thursday afternoon, the group brings together people with a shared interest in discovering more about their ancestry, family connections and the stories of generations past.

With the valued knowledge and support of Garry and Lois, participants are guided through the process of researching their family histories, finding information and exploring the many different avenues available to uncover their past. Whether someone is just beginning their family history journey or has been researching for many years, there is always something new to discover and learn.

An important part of the group is the knowledge and experience shared between participants. Members help each other work through research challenges, exchange ideas and resources, and celebrate the excitement of uncovering a new piece of information or making an unexpected family connection.

Family History is also about much more than names and dates. Researching the lives and experiences of previous generations can uncover fascinating personal stories and provide a greater understanding of where families have come from and how their histories connect with communities and places.

The group continues to provide a friendly and welcoming environment where people can pursue their own research while enjoying the company and support of others. We are very grateful to Garry and Lois for the time, knowledge and enthusiasm they continue to share and look forward to seeing the group continue to develop.

The Walkway Gallery continued to be an important creative space at Tatura Community House throughout 2025–26, providing opportunities for local and regional artists to exhibit their work while giving the community access to a changing variety of art throughout the year.

We were delighted to showcase the beautiful watercolours of Tatura artist Val Rokahr. Val has been working seriously with watercolours for more than 25 years and has attended workshops both in Australia and internationally with many well-known Australian watercolour artists. Her exhibition reflected her love of the fresh, clean qualities of the medium and her skill in capturing people, places and much-loved family pets.

Local artist Belinda Merrick transformed the Gallery with her striking Spirit Mosaics collection. Her intricate pieces incorporated symbolism including lotus flowers, dragonflies, dream catchers, peace signs and other motifs, with crystals adding colour, light and energy. Particularly impressive were Belinda's mosaic mannequins, along with her collection of individually designed mirrors featuring crystals and tiles.

The Tatura Creative Artists also brought a group exhibition to the Gallery, providing an opportunity to celebrate the creativity and talent that exists within our own community. The exhibition brought together different artists, styles and approaches and demonstrated the value of having an accessible local space where artists can share their work with others.

A highlight of the year was our continuing collaboration with Kaiela Arts, with two exhibitions bringing First Nations art and stories into the Walkway Gallery. The exhibitions featured works by a range of artists, including Yorta Yorta and other First Nations artists, whose works explored culture, Country, family, memories and personal stories through different artistic styles and mediums.

The variety of exhibitions throughout the year again demonstrated that the Walkway Gallery is about more than displaying artwork. It provides a place for creativity, culture and stories to be shared and gives visitors to Tatura Community House and the Library something new to discover. We thank all of the artists and organisations who entrusted us with their work and helped make another colourful and creative year in the Gallery possible.

ADULT COMMUNITY FURTHER EDUCATION (ACFE)

Tatura Community House has delivered courses for adult education for many years and continued to do so in the 2025/26 year. ACFE is funded by the Victorian Government, based on the amount of hours of education delivered. Tatura Community House is delivering 600 hours of adult education in the calendar year 2026. Tatura Community House is a recognised educational provider.

Learn English

Our ongoing course 'Learn English' provides an opportunity for students to learn and improve their English. We are now offering evening sessions only to accommodate learners with work or family responsibilities during the day. We taught English to students from different cultures, including Thailand, Vietnam and the Philippines. Our classes are tailored to the individual language skill level of each learner. This allows them to progress really well. Our learners are going strong and are looking forward to another year of learning.

Digital Essentials I - Introduction to Smartphones and Tablets

In this flexible computer and technology class students explored different topics from the digital world such as online meetings, email, managing attachments, scanning, photo editing, management and online services, digital citizenship and online safety, tablets and devices, streaming services, MyGov, online banking, and online shopping. Congratulations to our proud learners who successfully completed this 30 hour course!

OUR VOLUNTEERS

Volunteering at Tatura Community House brings immense value to both the volunteers and the community. Our dedicated volunteers take on a wide range of roles, ensuring the smooth operation of our programs and events while fostering a strong sense of community spirit.

Volunteers handle various responsibilities, including greeting visitors at reception, serving as baristas, gardening, cooking, and providing tech support. They also make eco-friendly Boomerang Bags, tutor primary and secondary school students, and facilitate groups like the Mah Jong and Tat Gathering. Jobs like keeping the Community House tidy, washing dishes, wiping tables go a long way to maintain the Community House's welcoming environment and are really appreciated.

In addition to these daily tasks, volunteers play a vital role in preparing for and supporting major events. They help organise and hold the annual High Tea, exhibitions at the Walkway Gallery, and the much-anticipated Christmas Party. Their contributions ensure that these events run smoothly and create unforgettable experiences for the community.

The benefits of volunteering go beyond the tangible outcomes. Volunteers gain personal fulfillment, build new skills, and establish meaningful connections. By contributing their time and talents, they not only strengthen the Community House but also deepen their sense of belonging within Tatura. Whether it's helping with tutoring, assisting at events, or offering essential services like Justice of the Peace, volunteers are the heartbeat of Tatura Community House. Through their dedication, they enrich the lives of others and help keep the vibrant spirit of our community alive.

OUR VOLUNTEERS

Tatura Community House is lucky to be supported by so many wonderful volunteers.

These are our volunteers who contribute their time to the wellbeing of the community:

PRESIDENT'S REPORT

Dear members, volunteers, staff and community partners,

It is with great pride and gratitude that I present this year's Annual Report for Tatura Community House.

This year, Tatura Community House has continued to be a welcoming, inclusive and supportive place where people can learn, connect, access support and feel a genuine sense of belonging. Guided by our mission to create opportunities for community participation through innovation, learning, advocacy, and social and cultural inclusion, we have delivered a diverse range of programs and services that reflect the care, commitment and generosity of our community.

A significant achievement has been the continued growth of our partnerships. Working alongside Greater Shepparton City Council, GV Health, Berry Street, Bendigo Bank Kyabram, Housing for the Aged Action Group, Heartbeat Victoria and others has helped bring health services, housing support, customer service outreach, learner driver mentoring, wellbeing programs and practical assistance directly into Tatura.

Health, wellbeing and connection remained central to our work. Programs including Women's Health Clinics, GV Health coaching, Heart Health Peer Support, walking groups, yoga, community fitness activities, Tat Gatherings, Coffee Hub Club, Italian Ladies Social Group, Mah Jong, Thursday Bridge, Scribbles Writing Group, craft groups, High Tea and International Women's Day created valued opportunities for friendship, participation and support.

Our learning and support programs also continued to make a difference, including Learn English, family history, technology training, first aid, creative workshops, Homework Club, Food Pantry, Chop and Chat, housing support, justice of the peace services and referral pathways. Together, these programs build confidence, independence and connection while providing practical support during challenging times.

The Walkway Gallery continued to celebrate local creative talent, while volunteers contributed through Boomerang Bags, reception support, gardening and community events. We value the time, skills and generosity our volunteers bring, and recognise the important role they play in the success and spirit of our House.

Inclusion and accessibility remained at the heart of our approach, with programs designed to welcome people of all ages, abilities, backgrounds and identities and to strengthen community cohesion.

Guided by our Strategic Plan, we continued to focus on delivering quality programs and education, strengthening partnerships, building a sustainable organisation, and empowering our community through connection, learning and support.

These achievements have only been possible because of the dedication, goodwill and hard work of our volunteers, staff, Committee of Management, community partners and supporters. I sincerely thank Committee members Iris Oakes, Sally Sherman, Jenny Stammers and Bev Roberts for their thoughtful governance, leadership and commitment throughout the year. We have also had Sam Okeeffe participating in our Committee of Management and look forward to working with Sam into the future.

Thank you also to our Cubby staff, management team, volunteers and community partners. Your passion, care and commitment help make Tatura Community House such a vibrant, welcoming and valued community asset.

Looking ahead, we are excited to keep growing our programs, strengthening partnerships, supporting local artists through the Walkway Gallery, progressing facility improvements and exploring new opportunities that respond to community needs and support long-term sustainability.

On behalf of the Committee of Management, thank you for your ongoing support. Together, we are continuing to nurture a stronger, more connected and more resilient community.

Jennifer Pagon
President
Tatura Community House

MANAGER'S REPORT

"The greatness of a community is most accurately measured by the compassionate actions of its members."

Coretta Scott King

What a great year it has been at Tatura Community House. Once again, there has been so much happening throughout the year, with plenty of activity, new initiatives, familiar faces and, most importantly, lots of smiles coming through our doors.

First, a very big thank you to our hard-working volunteers, Committee members and staff. Tatura Community House simply could not do what it does without the time, energy, commitment and care that each of you brings to the organisation. You make the Community House a welcoming and enjoyable place to be, and you make it a pleasure for us to come to work each day. A special acknowledgement goes to our reception volunteers, who are often the first point of contact for people coming through our doors. You create a welcoming and supportive environment while managing enquiries, assisting community members and keeping our busy reception running smoothly. Thank you for everything you do.

We also want to give a special thank you to Adele. You are fantastic at what you do and an incredibly important part of our team. Your hard work, reliability, knowledge and willingness to help wherever needed are greatly appreciated by us and by everyone who works alongside you.

There have been far too many activities, achievements and memorable moments to mention them all, but a few highlights from the year deserve special recognition. Our successful Tiny Towns Fund grant allowed us to make a number of improvements around the Community House, including the installation of new flooring, new lighting for the Walkway Gallery, bike racks and a range of other improvements. These projects have helped make our spaces more functional, attractive and welcoming for everyone who uses them.

The Walkway Gallery has continued to be a great success. It has been a genuine pleasure to work with local artists and community members and provide a space where creativity can be shared and celebrated. The changing exhibitions have brought colour, interest and conversation to the Community House and have given people another reason to stop, look and connect.

Our annual High Tea was another wonderful event. Bev and her amazing team of volunteers once again put an enormous amount of work into making the day a success. It was thoroughly enjoyed by those who attended and demonstrated, once again, just what can be achieved by a dedicated group of volunteers.

The Tatura Women's Breakfast was another highlight. We were privileged to hear the inspiring story of Loretta Lilford, founder of Smiling Hearts Uganda, and learn about the wonderful work being undertaken by the organisation. Proceeds from the raffle were donated to Smiling Hearts Uganda to support Gertrude, who commenced her studies at Kampala University. Our donation enabled the purchase of a mobile phone, an essential tool for her university studies, with the remaining funds helping towards internet access and other academic requirements. It was wonderful to see a local Tatura event have a positive impact on someone's educational opportunities on the other side of the world.

The year also saw several new groups and programs become part of the Community House. These included the Heart Health Walking Group in partnership with Heartbeat Victoria, Spinning, Weaving and Fibre Art, the Scribbles Writing Group, which relocated from Murchison, and Come As You Are, our inclusive community group. Each has brought something different to the House and created new opportunities for people to connect, participate, learn and feel part of their community.

Of course, these highlights represent only a small part of what happens at Tatura Community House. Every week there are classes, groups, community services, partnerships, referrals, events and informal conversations taking place. Sometimes our role is to organise a major event or introduce a new program; at other times, it is simply to provide a cuppa, listen to someone who needs to talk, help with a form, connect someone with the right service or provide a welcoming place where people know they belong.

We are incredibly proud of what has been achieved over the past year, but none of it happens because of one or two people. It happens because of the combined efforts of our staff, Committee, volunteers, tutors, facilitators, community partners, supporters and, of course, the many community members who walk through our doors and take part in what we offer.

We are looking forward to the coming year. There are already plenty of exciting ideas and projects ahead, and if the past year is anything to go by, there will no doubt be a few unexpected opportunities along the way as well.

Thank you to everyone who has contributed to another busy, rewarding and successful year at Tatura Community House. We look forward to seeing what we can achieve together in 2026–2027.

Nadine Pichler & Thomas Boocock
Managers
Tatura Community House

CUBBY CHILDCARE COORDINATOR'S REPORT

Another busy year filled with lots of fun, learning and special activities for our children and families has passed very quickly.

Booking numbers have remained very strong over the last 12 months. In July 2025, our bookings were Tuesday 15 children, Wednesday and Thursday 14 children and Friday 13 children. By June 2026, Tuesdays, Wednesdays and Fridays were fully booked with 15 children, with 13 children booked on Thursdays. We are very pleased with these numbers, particularly with the increased childcare options now available locally.

Staffing has remained consistent throughout the year. Tarja continues as Childcare Coordinator and Lucy is now working reduced hours Tuesday to Thursday. Emma and Katy continue to cover shifts throughout the week and we welcomed Kirsty to our regular team on Fridays. Having familiar educators who know our children and families well continues to be an important part of The Cubby.

We were very pleased to renew our SunSmart membership for another five years and are now also a Smiles 4 Miles childcare service. During the year the children enjoyed Dental Week activities and continued learning about healthy eating, looking after their teeth and keeping their bodies healthy.

Our Letter of the Week has become a popular part of our program. Each letter is displayed in the foyer and families are encouraged to help children find and bring along objects from home beginning with the featured letter. It has been wonderful to see the children proudly sharing their objects and families becoming involved in their learning.

Children at The Cubby have enjoyed a huge variety of supervised, play-based and skill-based activities throughout the year. Some of these included:

- Learning about emotions, road safety, the human body and our five senses
 - Practising letters, numbers, shapes and writing names
 - STEM activities, construction, magnetic blocks, craft and sensory play
 - Climbing, bikes, ball skills, yoga and other gross motor activities
 - Imaginative play in our Cubby Café, supermarket, mechanic shop and camping areas
 - Regular visits to Tatura Library and enjoying our own Cubby Library
 - Gardening, cooking and learning about healthy food
 - Nature activities, bugs, our worm farm and using natural materials in art
-

Our garden continued to provide lots of learning opportunities. The children helped prepare garden beds, plant, water and harvest produce including carrots, strawberries, cherry tomatoes and spinach. Cooking was again a favourite, with pancakes, smoothies, zucchini fritters, cakes, spinach rolls, fresh orange juice and ANZAC biscuits among the many things made from scratch.

We also enjoyed some special visitors and outings. Mercer Excavation brought along an excavator and truck for the children to explore, and during NAIDOC Week Corey shared Aboriginal culture through dance, music and art. We also enjoyed visits to Tatura Library, including meeting author Dee White.

We celebrated many special events throughout the year including Father's Day, Book Week, Superhero Day, Halloween, the Footy Grand Final, Christmas and Easter. Our Christmas BBQ was held together with Tatura Community House for the first time in the Community House courtyard. It was a very busy and fun evening, with the children enjoying the microphone and, of course, a special visit from Santa.

At Easter we had our guessing jar, an Easter egg hunt and a visit from the Easter Bunny. The Bourke family managed an impressive exact guess of 231 eggs in the jar!

Our Cubby Library continues to be enjoyed by our children and families. A special thank you goes to Anne Doller for making our beautiful library bags and Christmas bags. We greatly appreciate the time and care Anne puts into these.

There have also been some important policy changes this year. Personal phones and cameras are no longer used within the childcare environment and we have introduced new policies covering digital devices and the technology environment.

I would like to thank Nadine and Tom for their ongoing help and support over the last 12 months. To my wonderful team, thank you for all your hard work, flexibility and dedication, and to our Cubby families, thank you for your continued support and for trusting us with your little stars.

We look forward to the next 12 months, full of lots more adventures.
Tarja Pena (Childcare Coordinator, Tatura Community House)

TREASURER'S REPORT

I am pleased to report that in 2025/26 Tatura Community House has again achieved a positive financial result, realising a surplus of \$20,300. This is a strong result in what continues to be an increasingly challenging financial environment for Neighbourhood Houses across Victoria. It reflects careful financial management, consistent oversight and the combined efforts of our managers, staff, volunteers and Committee of Management.

The financial pressures facing the Neighbourhood House sector have become increasingly evident over the past year. Rising operating and employment costs, growing demand for community support and funding that has not kept pace with the true cost of delivering services are placing significant strain on many Houses.

This was highlighted through Neighbourhood Houses Victoria's Keep Our Doors Open campaign, which called for increased State Government investment to ensure the long-term sustainability of the sector. Despite a strong statewide campaign and advocacy from Neighbourhood Houses and their communities, the additional core funding sought was not secured during this financial year. The campaign was an important reminder that financial sustainability cannot be taken for granted, even when the value Neighbourhood Houses provide to their communities continues to grow.

Against this background, Tatura Community House continues to work purposefully to build and maintain a solid financial buffer. Having adequate reserves provides stability, allows us to respond to unexpected costs and new opportunities, and gives us some protection should our funding circumstances change. This financial security allows us to continue focusing on what matters most – delivering programs, services and support to our community.

I would like to sincerely thank all our funding providers and supporters. Whether through ongoing financial support, grants, donations or other assistance, we could not achieve all that we do without their contribution.

Thank you also to our managers and staff for their careful management of resources, our volunteers who give their time so generously, and the Committee of Management for its continued oversight and commitment. Our financial position reflects the hard work, careful planning and teamwork of everyone involved.

We move into the year ahead knowing that challenges remain for our sector, but with a solid financial foundation from which Tatura Community House can continue to support our community and respond to future opportunities.

Sally Sherman
Treasurer, Tatura Community House

COMMITTEE'S REPORT

Your committee members submit the financial report of Tatura Community House Incorporated for the financial year ended 30 June 2026.

Committee Members

The names of the committee members in office at anytime during or since the end of the year are:

Jen Pagon, President
Iris Oakes, Vice President
Jenny Stammers, Secretary
Sally Sherman, Treasurer
Bev Roberts
Aaron Fredericks (Resigned September 2025)

Principal Activities

The principal activities of the association during the financial year were:

provision of service programs to its members and the wider public.

Significant Changes

No significant change in the nature of these activities occurred during the financial year.

Operating Result

The surplus/(deficit) after providing for income tax amounted to \$20,300 (2025 \$36,823).

Signed in accordance with a resolution of the members of the committee:

Jen Pagon, President

Sally Sherman, Treasurer

Dated: 09/09/2026

TATURA COMMUNITY HOUSE INCORPORATED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2026**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

These financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Reform Act 2012 (VIC). The committee has determined that the association is not a reporting entity. The Association is a not-for-profit entity.

The financial statements have been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

(a) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Depreciation

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(c) Accounts Receivable and Other Debtors

Accounts receivable and other debtors include amounts due from members as well as amounts receivable from donors. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(d) Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

(e) Provisions

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

TATURA COMMUNITY HOUSE INCORPORATED

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2026**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(f) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

(g) Revenue and Other Income

Non-reciprocal grant revenue is recognised in the statement of comprehensive income when the association obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the association and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

The association receives non-reciprocal contributions of assets from the government and other parties for zero or a nominal value. These assets are recognised at fair value on the date of acquisition in the statement of financial position, with a corresponding amount of income recognised in the statement of comprehensive income.

Donations and bequests are recognised as revenue when received.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customer.

All revenue is stated net of the amount of goods and services tax (GST).

(h) Accounts Payable and Other Payables

Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

RESPONSIBLE PERSONS' DECLARATION

Per section 60.15 of the Australian Charities and Not-for-profits Commission Regulation 2022

The responsible persons declare that in the responsible persons' opinion:

1. there are reasonable grounds to believe that the registered entity is able to pay all of its debts, as and when they become due and payable; and
2. the financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2022*.

Sally Sherman, Treasurer

Dated: **09/09/2026**

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of Tatura Community House Incorporated

Report on the Financial Report

I have reviewed the financial report of Tatura Community House Incorporated, which comprises the statement of financial position as at 30 June 2026 income statement, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the responsible persons' declaration.

Responsibilities of Responsible Entities for the Financial Report

The responsible entities of the registered entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, *Associations Incorporation Reform Act 2012* and the *Australian Charities and Not-for-profits Commission Act 2012*, and for such internal control as the responsible entities determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, responsible entities are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible entities either intends to liquidate the registered entity or to cease operations or has no realistic alternative but to do so.

The responsible entities are responsible for overseeing the registered entity's financial reporting process.

Auditor's Responsibility

My responsibility is to express a conclusion on the financial report based on my review. I conducted my review in accordance with Auditing Standard on Review Engagements ASRE 2415 *Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation or Regulation*, in order to state whether, on the basis of procedures described, I have become aware of any matter that makes me believe that the financial report is not in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* including: giving a true and fair view of the entity's financial position as at 30 June 2026 and its performance for the year ended on that date; and complying with the Australian Accounting Standards. ASRE 2415 requires that I comply with the ethical requirements relevant to the review of the financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

375 Wyndham Street, Shepparton VIC 3630

ABN 87 650 289 286

Conclusion

Based on my review, which is not an audit, I have not become aware of any matter that makes me believe that the financial report of Tatura Community House Incorporated is not in accordance with the *Associations Incorporation Reform Act 2012*, and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

(a) giving a true and fair view of the registered entity's financial position as at 30 June 2026 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards, the *Associations Incorporation Reform Act 2012* and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2022*.

AGM 2025 MINUTES

TATURA COMMUNITY HOUSE INC

MINUTES OF THE TATURA COMMUNITY HOUSE 2025 ANNUAL GENERAL MEETING

Held at the Tatura Community House Wednesday 17th September 2025 at 7:00pm

Present: Tom Boocock, Liz Leong, Jenny Lister, Jocelyn Macrow, Adele Marshall, Jen Pagon, Tarja Pena, Nadine Pichler, Rod Schubert, Sally Sherman, Jenny Stammers, Wendy Wilson

Apologies: Janice Barrette, Iris Oakes, Bev Roberts

Welcome: Jen Pagon welcomed everyone to the meeting with an Acknowledgment of Country.

Reports:

President's Report - Jen Pagon presented the President's Report as tabled in the 2025 Annual Report.

Manager's Report - Nadine Pichler presented the Manager's Report as tabled in the 2025 Annual Report.

Childcare Coordinator's Report - Tarja Pena presented the Childcare Coordinator's Report as tabled in the 2025 Annual Report.

Treasurer's Report - Sally Sherman presented the Treasurer's Report as tabled in the 2025 Annual Report.

Motion: That all reports are accepted, moved by Jen Pagon, seconded by Jenny Stammers. Carried.

General Business: Nil

Minutes of the Previous meeting:

Taken as read as per the 2025 Annual Report.

Motion: That the minutes of the previous meeting are true and correct.

Moved by Wendy Wilson, seconded by Adele Marshall. Carried.

Business Arising: Nil

Correspondence: Nil

Election of Office Bearers for 2025/2026:

Rod Schubert declared all the positions vacant. Nominated are:

President: Jennifer Pagon, nominated by Sally Sherman, seconded by Jennifer Stammers.

Vice President: Iris Oakes, nominated by Jennifer Pagon, seconded by Sally Sherman.

Secretary: Jennifer Stammers, nominated by Bev Roberts, seconded by Iris Oakes.

Treasurer: Sally Sherman, nominated by Jennifer Stammers, seconded by Bev Roberts.

Committee members:

Bev Roberts, nominated by Iris Oakes, seconded by Jen Pagon.

Motion: That the nominated persons are elected into their respective roles in the committee of management.

Moved by Nadine Plchler, seconded by Sally Sherman. Carried.

Rod Schubert declared all the positions filled and congratulated the committee members.

Appointment of Auditor:

Sally Sherman requested a motion that Goulburn Murray Audit Services be nominated as the auditor for 2025/26.

Moved by Sally Sherman, seconded by Wendy Wilson. Carried.

Meeting Close:

Jennifer Pagon closed the meeting at 7:35pm.

Tatura Community House Inc

2025 - Real Impact. Real Value.

INCOME \$546,744

VALUE \$1,355,053

**This figure includes
the value of:**

Improved quality of life through social connection:
\$514,610

Volunteer contributions: \$274,849

Emergency relief provided: \$38,760

Services provided: \$98,085

Adult Community Education: \$134,187

Early childhood education and care: \$285,562

Emergency relief value includes:

- Food and groceries: \$36,360
- Personal care & hygiene items: \$2,400

Services value includes:

- Computer/internet usage: \$1,800
- Facilities use or hire: \$44,652
- Résumé assistance: \$360
- Auspicing other organisations: \$1,265
- Community lunch, frozen or other meals: \$7,800
- Fee for service activities: \$42,208
- Power Saving Bonus: \$9,000

**This community value
equates to:**

\$2.48 for every \$1 of income

\$13.28 for every \$1
of Neighbourhood House Coordination Program
funding

Over \$600.64 for every hour the neighbourhood
house is in use

**Employment value
6.4 FTE jobs**

including 4.6 direct and 1.8 indirect
Full Time Equivalent positions

These values are produced by Neighbourhood Houses Victoria based on data provided by Tatura Community House Inc in the 2025 Neighbourhood Houses Survey. Only a limited range of activities where a determinable valuation method exists are included.

Just some of the value to communities from selected Neighbourhood House activities

Basis of calculation

The Tatura Community House Inc provided in excess of \$1,355,053 of value to the community for 2025. This is based on data provided through the Neighbourhood House Survey 2025.

This figure includes the value of:

- Improved quality of life through social connection: based on **252** participants in programmed activities per week
- Volunteer contributions: based on **113** volunteer hrs per week
- Food and groceries: based on **900 kgs** of food relief provided in 2025
- Food vouchers: based on an average of **\$0** of vouchers provided per month
- Cash/prepaid or gift card: based on **\$0** cash/card value provided per month
- Bill payments: based on **\$0** of participant bills paid for per month
- Fuel Vouchers: based on an average of **\$0** of vouchers provided per month
- Public transport cards: based on average **\$0** of travel cards value per month
- Clothing: based on **\$0** of clothing provided per month
- Personal care & hygiene items: based on **\$200** of items provided per month
- Emergency accommodation: based on **\$0** provided per month
- Internet usage: based on **75 hrs** of individual computer/internet use per month
- Facilities use or hire: based on **107** hours per month valued at **\$35/hr**
- Resume assistance: based on assisting with **1** resume's/ month
